4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

The institution has plans for set up IT infrastructure and software is being deployed for office automation, admission, library, examination and others. These class rooms have enabled teachers to go beyond chalk and talk method and make learning more interesting and interactive. Audio-visual presentation of the study materials has a lasting impact on the students.

Total 84 computers with Wi-Fi facility were provided to the students and faculty as per requirements of AICTE.

• The LAN facilities in the library and the Computer lab department have been upgraded to ensure network security and to accommodate more LAN users.
