Director

6.1.1 The governance of the institution is reflective in tune with the vision and mission of the institution.

Vision:

“Satisfy the aspirations of youth force, who want to lead the Nation towards prosperity through techno-economic development.”

Mission:

“To provide, nurture and maintain an environment of academic excellence, research and entrepreneurship for all aspiring students which will prepare them to face global challenges maintaining high ethical and moral standards.”

The Vision & Mission are reflected in the effective leadership within institute

Vision and Mission of the institute satisfy the need of the students by providing them quality education and working towards development of nation. The governance within institute consists of governing body(GB), Local Management Committee(LMC) now termed as College Development Council(CDC), and Internal Quality Assurance Cell (IQAC) previously known as Academic Monitoring Committee(AMC) work together to maintain environment of academic excellence and position college in preferred list of all stakeholders. The institute believes in delegating powers to different committees within institute through strategic policies.

Monthly meetings of the Director and the faculty members are conducted to discuss academic initiatives and review the progress in each field. The support of administrative section is extended to students and faculty members for effective implementation of policies and carries out regular work. The Director of the institute ensures that there is participation of all stakeholders in different activities of the institute.

The plans of the institute are according to vision and mission of the institute. The short terms plans are designed and executed in guidance of IQAC along with the Director are for satisfying needs of the student and for development of the institute. The various activities taken under the institute results in strengthening the youth with good quality of education and imparting values.

IQAC formally AMC formulates perspective plan which is in accordance to vision and mission of the institute and if any major resolution comes through consensus of IQAC members then major decision is forwarded to governing body for approval.

Therefore the governance of institute is in tune with vision and mission of the institute.
