6.2.1 Perspective Plan

The institute has a long term plan for growth and development that is reflected in its Perspective Plan.

Academic Plan 2020-21

- Strengthen teaching and learning process by adopting more innovative ways to increase effectiveness of teaching.
- Faculty Development to keep pace with emerging trends and demands in education.
- Promoting Research by encouraging faculty members to undertake individual research and pursue a doctoral research degree.
- Develop professional ethics among students with help of seminars and value added courses thus inculcating a value system among students.
- Organize national level seminars, workshops and conferences to facilitate exchange of knowledge and expertise from across the country.
- Promote human values and sensitize students towards current social problems with help of extension activities thus working for development of Nation.
- Providing guidance with the help of Entrepreneurship Development Cell to inculcate entrepreneur values among students.
- Strengthen activities of Training & Placement Cell by increasing collaborations with renowned industries.
- Provide environment for students to take up activities related to research like writing research paper and taking up research projects etc.

Administrative Plan

- Adopt ERP system to digitize processes of governance including student admission, accounting, HR, library etc .
- Conduct an Academic Administrative Audit process in each semester for sustaining quality.
- Organize periodic training of Admin Staff related to Documentation, Accounts keeping etc to bring out administrative professionalism.
- Effective utilization of stationary resources and paper to reduce waste.

Infrastructural Plan

- Ensure proper budget is allocated for enhancement and maintenance of infrastructure.
- Use of renewable energy resources to have green footprint in society.
- Purchase latest equipments as and when required.
- Purchase latest software to match with current trends.
